I love my girl
And I make love to her every day
I know she wanit
And I wanit the same way

Today she started
Tomorrow I'll be the horny one
Who starts the kissing, the licking and getting some

I make wet every spot on her skin
I don't sweat if that might be gods sin
Beginning at her mouth and going south
Her neck, her chest and now she's getting loud

I eat her pussy like a fat kid big Mac
I love to do it like an addict love smack
And please don't tell me you don't really like this track
Cause then I think that you mother fucker is fag

So I lick her clit
And then I stick
My tongue in it
She's loving it

So I lick her clit
And then I stick
My dick in it
She's digging it

My dick is going up
I've got an erection
Like a nipple getting bigger
In the frozen food section

Ain't got no objection
Cause that's what I want
I'm better lover then a mother fucking
James Bond

No permission to kill
Though I know what she feel
When I gently touch her body
She could never stay still

Am I being real
You bet a mil I am
And if you wanna doubt me
Try me here I am

Cause whenever I touch you on the right spot
You start screaming "I love you!" And "please please don't stop don't stop don't stop the music"
