Highlight

MEsyM

[Intro beat]

[Intro rap start]

Everybody in here
Who smokes pot
Put your bags in the air
Put them up

[1st Verse]

I ain't got no pot
I ain't got no weed
My dealer fucked me up
Last time we were supposed to meet
I called him "Hey what's up?
Do you have some stuff
Can you help me out, where can I pick it up?"
"I am at my house ,all I can get is rags though
everybody's dry, I can't get no dro "
Man that is alright
You know how I ride
Any shit that makes me high is shit that I like

[Bridge]

In about 35 I pulled over my car
Knocking on his crib door - ready to have some fun
Nobody answers though
And the girl from next door says "He's gone"
She says "He is gone"
I am calling his ass, trying find out what's going on
Hey dude, where you at? Sorry I had to leave my home
Fuck Scott that sucks I'm pissed a lot
Can I meet you up at some other spot

[Bridge]

Nah dude, not really I'm cruising around the city
And I didn't get it anyway, sorry I know it's shitty

[Chorus:]

I ain't got no pot
I ain't got no weed
I Gotta light up my spot

I Gotta grow my own shit
I ain't got no pot
I ain't got no weed
I Gotta grow my own stuff
I Gotta light up my crib

MEsyM

[Verse]

I ain`t got no rags
I ain`t got no dro
I`m chilling at my house
I`m Desperate to get stoned
Thinking I should go
See what`s going on
At my neighbours house
Maybe they`ll pack a bowl
So I could get high
And at least for little while
My problem will be solved
I should give it a try

[Bridge]

Already by the front door
I could see thru the window
That I came in just right time

What more I could wish for
"What`s up Peter" - "What`s going on guys?"
I see y`all just smoking
It smells soooo nice
Taste even better man - I`m surprised
Where can I get it and what is the price?
The dealer`s name`s Joe
He`s got plenty of this dro
Have you ever met him though
I don`t think so

[Chorus]

I ain`t got no pot
I ain`t got no weed
Gotta light up my spot
Gotta grow my own shit
I ain`t got no pot
I ain`t got no weed
Gotta grow my own stuff
Gotta light up my crip
I ain`t got no pot
I ain`t got no weed
Gotta light up my spot
Gotta grow my own shit
I ain`t got no pot
I ain`t got no weed
Gotta grow my own stuff
Gotta light up my crip
Cause I am in need
Cause I am in need
Indeed
